Waiver for
Privately-Owned Software & Hardware
with Government Computers

From: _____

To: Commanding Officer, Naval Dental Center Southwest
Via: Head, Management Information Department, NDC Southwest

Subject: Waiver for Privately-Owned Software & Hardware Component

I respectfully request permission to use _____
                                          (mfg. & name of component)
in conjunction with the government owned computer _____
                                                   (minor property # of CPU)
located at _____ in _____ .
            (clinic and department)   (room #)

I am the registered owner of above personal component. My use of this component will
enhance my ability to serve this command by _____
_____ .
The component will be incorporated into my government owned CPU on the date of
_____ and will be promptly removed on the date of _____ .
I will not make any additional copies of this component for use by others. This
component is for personal use while conducting government business to enhance my
contribution to this command. My organization will not grow so accustomed to this way
of business such that removal would be a detriment to the command at a later date.
